

Making Connections

Text to Self

What you read reminds you of something from your life.

Text to Text

What you read reminds you of something else you have read, seen on t.v. or at the movies, a painting, or a song.

Text to World

What you read makes you think about something in the broader world.

“That makes me think of ...”

Making Connections

Text to Self

What you read reminds you of something from your life.
